

Sts Cyril and Methodius Faculty of Theology

Welcomes exchange students from our Partner Universities
across the world every year. Faculty offers a variety of course
units in English, German and French.

You will meet lecturers with various professional backgrounds, such as social work, humanitarian studies, theology, religious studies, social pedagogy and media ethics.

There are possibilities to follow courses at other faculties of Palacký University Olomouc:
<https://www.upol.cz/en/students/exchange-students/courses/>

MASTER DOUBLE DEGREE IN THEOLOGY

Studying under a double degree program enables students to receive two diplomas. Students may study for one year at the Institut Catholique de Toulouse as part of a student Exchange programme.

DOCTORAL PROGRAM - SOCIAL AND SPIRITUAL DETERMINANTS OF HEALTH

A four-year study programme taught in English that is primarily research-oriented and brings early stage researchers together to discuss, debate, and collaborate on current issues in

global health, focusing on its social and spiritual factors through a bio-psycho-socio-spiritual model of health.
